Exercise Responsible Stewardship of Our Resources and Our Environment

Strengthen the Ties between the Army, Air Force, and Host Nation

Acknowledge Results

People First / Mission Always

## **Planning Assumptions**

Ratio of married / single parent verses single soldiers will increase.

Operations tempo will remain high as the increase in NATO / Joint operations continue.

Quality of Life demands will increase while the higher demands on NAF and AAFES/ARM dividends dollars will decline.

APF / NAF funding will remain below requirements, facilitating a need to expand existing sources of funds.

Workforce and maintenance costs will increase significantly.

Increase emphasis on process improvement and technology.

More functions will be consolidated / regionalized / contracted.

There will be increased emphasis on environmental compliance.

There will be more management accountability.

Volunteering will become more critical.
